

NEW WORLD ORDER and the future of the Church

Bertie Brits

April 19, 2020

Greetings: It is a great blessing for me to come to you today and just to bring you the Gospel of God's grace. Today I am going to be teaching on the New World Order versus the old world order. I trust that this message is going to bless you greatly and bring you peace in these times.

PRAYER: Father, thank You so much for Your grace and Your kindness. Thank You for the love that You express towards us in Jesus. Thank You that You are a God of compassion. Thank You that You are a God that feels. Your innermost being starts to move when You see us and You see the distress that Your people are in and You have come to give us peace. And thank You that we can see the power of Your kingdom working in us and working in this world giving us the hope of salvation as well as the fruit of salvation right now in our lives.

Lord, I want to pray for every person that will be hearing this message today. Thank You that You just empower me to speak in a powerful way and that every person that watches will have an enlightened mind whereby they can see the dimensions of Your goodness and love. Amen and amen

It is such an honor for me to minister to you every Sunday whenever we do so. Unfortunately, with this lockdown, I find that at this time on a Sunday because I have most of our web church members are in America, we stream about 4:30 P.M. South African time. Now because of this lockdown at that time, most churches are streaming their services and the internet is just overloaded all over the world. That doesn't bring a stable stream so that's why we will just upload our videos on a Sunday until we think of another plan on what to do. But as for now I think we are just going to upload it and maybe not stream it on a Sunday. We'll see how it goes next Sunday but just that you guys know that is what we are thinking of.

TODAY'S MESSAGE: Today I am going to talk about the New World Order versus the Old World Order. I am just going to summarize this message quickly and say to you what I want to say and then explain it. I am going to look at what Order is when we talk about the New Old World Order. I want to define what an Order is. Then I am going to explain what the traditional fear based, what I would call the old order, is and the new things that they want to do under this old order. And then I am going to look at where this old order comes from and I am going to argue that it is just the order of man or what I would call the order of death which was brought into this world through Adam.

Then I am also going to argue that the earth is the Lord's and the fullness thereof and that this is not a place for the devil. Neither is God going to abandon His project on this earth to Satan and what he has accomplished in Adam. The earth is the Lord's and the fullness thereof. I'm going to explain that and then if we have time in this week, I'm going to get into it. Otherwise I am going to get into this next week. I'm going to explain what this New World Order is from God's perspective.

Whenever we want to look at anything, we need to ask, "What is God's perspective on this? What is the world order according to God who is in control of this planet? To whom has all authority in heaven and earth been given and I'm going to argue that Jesus has inherited the earth and so shall we. I'm going to add and explain from Hebrew's chapter 7 that the New World Order or the new system by which this world is ordered, is the Order of an endless life which is possessed by Jesus Christ. Amen

So, I'm going to say this: The Old World Order is the order of death. The New World Order, or the New Order by which this world is governed, is the order of Jesus Christ and the Father is busy making all of Jesus' enemies His footstool. The last enemy that shall be conquered, in this physical world, is death itself, since all authority in heaven and earth has been given to Jesus. That means that He is the Lord of the earth. He is not just the Lord of heaven. He is the Lord of the earth itself and we are actually, as Christians, under a new order.

I think the devil always wants to copy what God has done and always wants to get our focus away from where God has brought us in Jesus Christ. And that's why I believe the whole world's focus is, "What is the New World Order that is going to come through the mark of the beast and through microchips and all those kinds of things. I don't say that there is not such a thing. I think obviously the world is going to move towards microchips and all of that and this old world that we are in will always have a new trick up its sleeve which is always an old trick.

What I believe the enemy wants to do now is and what man wants to do and what death brings is to have our focus so much on what this world is going to do. What is this Old world system that we are in, the system of death, going to bring forth? It's going to bring forth the Antichrist. They're going to bring forth the microchips, the mark of the beast and all of that. And who are the people who are afraid? They are not the world but the Church. The world does not care. The people who have not received Jesus don't care about a microchip. They don't care about vaccines. They don't care about any of those things. They are not afraid. They live in peace and the people who are just biting their nails, living in absolute fear and tyranny, is the Church because, "Oh, my goodness. We are not going to buy and sell. We're not going to do this... We are not going to do that." And we think that is the new thing that is going to happen. I believe that the new world, a new heaven, a new earth, the concept of a new world has been coined by God and now, I believe, the enemy wants to get the Church sidetracked and then coin New World and the Order of the New World to go to something that is not God, that is death. I think let us stick with God is doing and have our eyes on Him.

Somebody wrote me an email and he said, "In these times there's so many conspiracy theories going around and there are Christians, preachers, that are distributing these conspiracy theories on social media, in emails and so forth. What are we to do as Christians? How do we handle this?" Then he said, "Please give me a biblical answer as pertaining to this." The biblical answer that I have in mind is that whatsoever is good, whatsoever is noble, whatsoever is of good report, think on these things! That is the biblical answer.

Colossians 3:

1 If you then be risen with Christ (And the question is, 'Are you risen with Him? Have you been made new with Him? Yes!), **seek those things which are above, where Christ sits on the right hand of God.**

2 Set your affection on things above, not on things on the earth.

3 For you are dead, and your life is hid with Christ in God.

4 When Christ, who is our life, shall appear, then shall you also appear with Him in glory.

That's it! Church, as an introduction I am saying that we need to realize that God had already conquered the darkness that was in the world before creation. When God made the heavens and the earth, we find that the earth was without form and void. Darkness was upon the face of the deep and God conquered that darkness and said, "Let there be light!" He saw that! That is not some small darkness to conquer. I don't have time to now accurately teach on this but that is something that He conquered. He conquered what Adam had done. He conquered what Adam had done in his disobedience.

If we look at what God has conquered in this world, I mean, if somebody who's had problems before, it is God. He had a lot of things that He had to deal with! But He conquered that darkness we spoke about in the beginning. He said, "Let there be light!" and there was. Adam came and sinned and He conquered that. He conquered the destruction of the earth through the flood of Noah and the unrighteousness that was upon the earth. God came and He conquered Abraham's fears, his old age and the barrenness of Sarah's womb. Abraham wouldn't have existed, he wouldn't have had people in this world today, if it was not for God bringing healing to his body and Sarah's body. He conquered that! He first conquered the oppression of the people of Israel when they were oppressed by the Egyptians. He conquered that! He conquered the Assyrian/Babylonian exile. He came to this earth. He conquered Rome. He conquered the cross and everything it stood for. HE CONQUERED DEATH... PHYSICAL DEATH! He conquered the power of death and hell! As a PHYSICAL man, He left the grave empty for He was recreated in a glorified man and was appointed as Lord over heaven and earth.... And we are stressing about vaccines and we are stressing about what is going to happen to us tomorrow! But our God is the God who has conquered so many things! He's conquered the idol worship of the heathen! He brought forth Christ as their Lord. I mean, He has done great things!

And this God of ours has promised us that this world shall be restored! Paul wrote in Romans 8 that creation waits for God to manifest us as truly His sons which we already are but bring it into manifestation, physical glorification. And so, shall this whole world be, for this is our inheritance. This is what God has come to do and Jesus will come back to the earth. We will be caught up in the day when He comes in the cloud... of what? ... the cloud of glory which is resurrection! As He comes and we meet Him in that glorification in the air, in that glory, on His way here, it will be like meeting somebody at the gate of your property and then walking with Him as He's coming to visit you. He is on His way here. And so, will we be with the Lord, in this earth, made new forever.

I want to tell you that there is an order in this world now which is of God, which is much stronger than whatever was, and we should not be afraid, Church! Fear not! Let us read what the Bible says. Let us have our eyes on Christ. If you don't like to read the Bible much, we understand that all people aren't scholars. But all you can do is, and this is the thing, I always think of people that might be illiterate, this is what you think: Jesus is Lord! That's what you put in your mind. That's what you think. He is Lord, not of heaven but all authority in heaven **and** earth has been given to Him. Amen and amen!

If I say, "New World Order," what do I mean by order? Order is a social political economic system. A system is whereby we be defining authority and bringing forth authority, What I am basically saying, when we talk about a New World Order or an Old World Order, we are talking about the system whereby that world functions. I want to tell you that the normal world, man without God, cannot bring forth a new order. Man, in his own power, is under the order of death and God has warned man about that in Adam and so will it forever be for those who don't put their trust in the New Order that God brought forth in the resurrection of Jesus Christ which is the order of an endless life. So, when we talk about a system, we are talking about this world's system as the system of death. It cannot produce life!

You might say, "But there's a new world order coming and that is going to be this mark of the beast and all those things and that is what we traditionally believed. Let me tell you: This New World Order that people are expecting in the world and through the media and the news and checking it all the time and prophesying about it.... That kind of a thing already happened at the Tower of Babel! It already happened in the Tower of Babel where there was an order of man where everybody is now going to stand in the power of themselves. As they stand in the power of themselves, they are now going to do whatever is possible.

Whenever God comes on the scene, you just find that there is just confusion. You find that they are confused and there is no life in that system. That's not something new! We found emperors, we found Rome and even England, not too long ago, wanted to take over the world. My goodness! It is something that we have always known. This globalization and the whole thing about a one-world money system is not something new! Long ago there was already things like that. It's not a new kind of an order. It's an old thing. Jesus Christ has come to make everything new.

So, we find a system, a traditional system, where we as the church, this charismatic church in these last years, just believed in this New World Order that's going to come... the microchip, the mark of the beast. First it was the bar codes and the credit card and then microchips and here's the church sitting in a corner as a little bit of a little candle with all the darkness and the monsters on the church and people are so scared. It's amazing how scared the church is today when it comes to simple things. I'm not saying you should take a vaccine or not. I don't care what you do about that. My concern is how much fear is in the church when it comes to vaccines, when it comes to those kinds of things as if a person that has received the vaccine is now never able to be saved by Jesus. Ask yourself this question: What do you need for salvation? You need to believe that Jesus was raised from the dead by the Father and that He is Lord! That is what you need to be saved. And what do you need not to be saved? It is not to believe that Jesus was raised from the dead and that He is Lord. That is it! That's how simple it is. We've made our salvation so fragile that you can lose it for anything. No, it is not as fragile as what you think. It is robust! It is full of life. It is full of power. Let us not be afraid of anything! The Bible says that the fearful shall not inherit the Kingdom. So, are you afraid of this End World things and all of that? Hear the voice of God: Fear not!

I am not saying that the world will not try and do things. I'm not saying that there will not be oppression. I'm not saying that they will not put Christians in jail. I'm not saying that they will not try and stop Christianity and that people will not even die for spreading of the Gospel. I'm not saying that. What I'm saying is, "Even if that would be so, fear not! Jesus is Lord. He's conquered death. He's conquered the grave and He is your Lord. He has the power to bring forth eternal life in you. And He's got the power to bring forth joy and peace and righteousness in you right now by His Spirit. Amen!"

Let me summarize this:

What is an Order? An Order is a system. It's a very simple thing. It is the system whereby everything functions. We find that there was a traditional order that we believe. There was a traditional thing which we believe that there is going to be a New World Order, the way things are going to work, the system whereby things are going to work. Everybody is going to receive a mark. You will need to have this mark of the beast in order to buy and sell. And if you don't take that, you are going to be beheaded. If you do take that, you are not going to be able to be saved. This is bringing a lot of fear in people's hearts. I want to say to you that was in the earth from, I think, about 70 to 90AD. That has already happened! There was a mark put on the foreheads and on the hands of people, if they wanted to buy and sell. They had to pay tribute to certain gods. Then, if they did that, they received the stamp on their hand or in the forehead. Then they could go and trade in certain cities. This has already happened! I'm not saying that it cannot happen again. It can still happen. I mean the devil's got no new tricks. He might do that again but what the Bible refers to in Revelation has already happened. It has already taken place. I believe that what basically Revelation is telling us is, "Listen, believe in Jesus!"

Know this: Rome that was depicted as this Roma, the goddess of Rome which was now such a beautiful goddess, if you could see it on the coins and see some of the history, you could see that. But what John was saying is, "Listen, this Rome, this goddess you think is so beautiful, that brings you peace, that brings a 'kind of a democracy' that is bringing harmony and all those kinds of things... she's a whore on a horse!" That's what John was saying. You were speaking against the political system of the time and that the people of that time should not think that is God's way of doing. God's way of doing is higher. Jesus is Lord. He's the one that was and is and is to come. They would say of Caesar, of those people of that time, that there was and is and shall be. Then John said, "No, no. Jesus was and is and shall be!" He came and depicted Jesus, the one being worshipped. He is the true God! What John was saying is that Jesus is Lord and Caesar is not and that we should simply continue to keep our eyes on Jesus! For He shall make everything new!

Life is not found in the political systems of this world and how they orchestrate and how they work, and the peace they bring. What Rome would do back then was they would go and colonize places. As these little towns would fight with one another, they would come and take it all over by force. Some minor Asian people did give over willingly and that was also recorded. But they would take a lot of it over by force and then these people couldn't fight with one another anymore. They would then say, "Well, look at the Prince of Peace! Caesar and these gods of Rome." Then John came and said, "That's wrong! That is not true! Don't be deceived by thinking that these people are those that bring life and salvation! The true Lord is Jesus and all these things shall be destroyed!"

And my question is: "Where is Rome now!?" The "mighty" Roman Empire" is gone! In the very same way, that is just a type and a shadow of what will come in the day of the Lord. Everything shall be made new and when you read Revelation, the only message you can get out of that, that is truly what I would believe the heart of the message is: Jesus is revealed as Lord! The New Order that we are under is not this Old World Order and its political systems. We are under a New Order, the Order that makes everything new which is Jesus! And we don't accept the other. Now, we can honor the king but we believe in the Lord. We can honor the president but I don't believe in the president. I believe in Jesus! Glory to God! And that is what Revelation basically says from beginning to end.

He's talking about God coming, making everything new in Jesus. It is just the Gospel! If you understand the simple Gospel, you already understand the whole book of Revelation. What the Revelation says, in all of its topologies and all of everything is, you don't have to trust in this world system. You don't have to be scared of this. The true Lord is God! Believe in Him and don't trust the arm of the flesh. Don't put the mark 666 in your forehead and in your hand. The number 6 is the imperfection of imperfection. That's what it is! It is the mindset of works!

“Now Bertie, that is a microchip!” If it is a microchip, then the mark of God in our foreheads must also be a microchip in order for our interpretation to be a consequent. That would mean that the church is going to produce microchips and put it in the forehead with a number 777 which will then control your mind whereby the Church will control what you think and you will only think good thoughts. That is how we have to if we want to be consequent in our interpretation.

What I want to say is revelation is saying, “Never be mindful of your own works. Be only mindful of God. Have the number of God in your forehead. That is Jesus Christ, the firstborn from the dead. Have that in your mind. Think of the Resurrected Christ! Think of Him as the Lord of this world and you will find that you will not have to go for Five Steps on how not to fear. You will find that you are not interested in all of these kinds of things. You know Jesus is Lord and you find that from Him in these times, the order of the new world, which is God’s new world, which will manifest in this earth, will be in your heart and that order, that system, will bring forth in you, love, peace, joy, kindness, goodness, meekness, temperance, faithfulness.. and in the end, you will explode into that which Jesus exploded into when He was raised from the dead. Alleluia! Amen! Glory to God!

Jesus is stronger and He is not going to become Lord sometime in the end after the Antichrist has done everything. No, no, no! He IS Lord of this world, NOW! It might not yet appear as if we have seen His Lordship manifest in everything in us, but we already see that He is Lord! He was raised from the dead and He conquered physical death in this earth and has annihilated and destroyed the power of old system, the old order of death, when He was raised from the dead! That is what we believe in! Glory to God!

Let us go to Adam and just quickly look at Adam and Eve. When we look at the old order, this is how I see it: In the beginning, God created the heaven and the earth. The earth was without form and void. (There are many people with different views about that but I believe the earth had become without form and void and darkness was upon the face of the deep.) God then, in that chaos, brought forth a temple and that temple was where He came and dwelled. We would now call the temple the Garden of Eden. A temple was where God would dwell with man. So, there was a garden and God put man in the garden and He came and dwelt with man. That temple was now in a garden form if you want to call it like that. There God spoke to His high priest, Adam, which was to rule over all the earth and to subdue it... bring it into subjection. In other words, take what is what God has brought into the temple, meaning that God is now fellowshiping with Adam and He is saying, “Adam, there is something that I want to bring into this world. There is an order that I want to bring in here.”

What did Adam do? He didn’t eat of the tree of life. He ate of the tree of the knowledge of good and evil and the order of man, the order of dust or the order of mortality started to spread through this whole world through Adam. Through his disobedience we just found this death and decay continuing in the world and everything is being destroyed by Adam bringing in the order of man, the order of death, the order of knowledge of good and evil. “I know what is good and I am going to try and do the good and then I am going to experience the evil of not getting it right and dying!” This is described in Romans chapter 7.

So, we find an old order, the order of man, which is the order of mortality, the order of death or the system of death. Whenever you want to produce by your own, you will not be able to do that. It is called the Order of Death, the System of Death. We found that in the Tower of Babel. We found that in the devil and that was the order of, "You shall live by your own works and not by God giving it to you for free!" God's order is, "I promise you. You believe Me, I bring it forth. The devil's order is, "Don't believe in God. You can bring it forth by yourself. You cannot surely die!" He basically said, "You have the order of life in you. You don't need God to have the order of life!" But what happened? Adam and Eve did not have the order of life in them. They were dying! They were just of the dust, of the earth, earthy. The Bible says in 1 Corinthians 15, the first man, the first Adam, was of the earth, earthy, but the last man is of heaven. We're talking about the Resurrected Jesus now, heavenly, and He gives us life.

So, we find the Order of Adam or the Order of the devil or we can call it, "The Old Order", the Order that we have known now for so many years. The Order of man's own ability standing and God had to come and overcome that Order. The thing is, the fact that there is a wrong Order by which this world was ordered through Adam's disobedience, doesn't mean that this world doesn't belong to God. If I have a company and I get a director to run it for me, and he doesn't follow my order and he starts his own order, whose company is it? Well, maybe he is destroying my company but it's still my company. That's why the Bible says ***Psalm 24:1 The earth is the LORD's, and the fulness thereof; the world, and they that dwell therein.***

That the earth is the Lord's, the world and all of its inhabitants, is the Lord's...

Psalm 37:29 The righteous shall inherit the earth, and dwell therein forever.

The earth is the Lord's and the fullness thereof... but the order, by which things were ordered in this earth, was man. Man was thinking that he can order God's things. Then God was saying, "Well, you can try and live according to that order but I'm bringing another order. I am bringing a new order where by this world shall be ordered. You are now under the system, or the order, of a priesthood which is mortal, which cannot live forever. If a priest is mortal himself, all he can bring is what he is... mortality. That is all! But I am going to bring a new priest which is according to the order of an endless life and I will order My world that has always belonged to Me. The people that dwell the earth in that, belongs to God. I will order it. I will order this world according to a new order. so this world will have a new order which I call the New World Order." The world will be ordered by the Resurrected Jesus and this has already happened 2,000 years ago when Jesus was raised from the dead. And all authority in heaven and earth was given to Him whereby He orders things. We are going to see Paul say that as well in Hebrews.

Matthew 5:5 Blessed are the meek: for they shall inherit the earth.

Matthew 11:

28 Come unto me, all you that labor and are heavy laden, and I will give you rest.

29 Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and you shall find rest unto your souls.

Come learn from Me for I am meek. Jesus is meek! He says, "The meek shall inherit the earth." Then he goes on later in Matthew 11 and says, "Come to Me. I am meek and you will find rest for your souls."

Who will inherit the earth? The meek will inherit the earth. Who was the meek? Jesus! Then he says to all of us who are still laboring under the Old World Order of works/righteousness, "Come to Me and find rest for your life." Why? For He is the meek one! He says, "Come learn of Me!" Whenever we learn of Him, He was meek and He inherits the earth. All authority has been given to Him and as we rest in what He has inherited, we will find His rulership manifest over our lives as we are standing under the New Order of God in this world and not the old order of the devil. How I thank God for this New World Order of Jesus!

I mean, I put this on Facebook and I can't tell you how many people loved it and how many people called me a Satanist and some say that I am even saying this because I want to get money! I don't know how you get to that! Others said that I am of the seed of the devil. Others say that I am a pure Satanist. Some say that I received my power from spirits under the sea because I am saying that there is a new order in the world that we are under the New World's Order. The New World Order is the Order of Life! We have always been under the Order of Death. When God made the heavens and the earth, we brought His temple to the earth. He brought His man to the earth, started to speak to His man and then He said, "Go and occupy! Go and do what you need to do. Here's the tree of life. Eat of that! Do not eat of the tree of the knowledge of good and evil."

Before he could do anything he just went in the power of the flesh and brought forth just what the world was already from dust you are and to dust you returned. And it was just that Order of Chaos, that order of man living by his own power. God's world, God's people, a wrong order. Now we find God's world, God's people, and a new order! This Order has materialized. This order of God has actually entered the fibers of this physical creation when Jesus was raised from the dead. Everything in this world was dying. The concept was everything was dying. Everything... every bird, every tree, everything was decaying and going backwards. And then God did something. He incarnated this world. Jesus put on mortal flesh and then there was a piece of mortal flesh that became immortal flesh and now a new order has come to physicality which is the order of an endless life. And this man who got it right was appointed as the Lord of this earth to bring the new order of life into manifestation in this world! The old order will die away. It will die in itself. It self-destructs! It is self-annihilation but there's a new order that has come to the material of this world.

Church, the problem that I think we have is we don't understand what it means when we say, "Jesus is Lord!" I've said this before and let me say it again. It is not a nice thing for our minds because we have been programmed. I mean, the first time I hear this you know your mind spins with it. When John said that Jesus is Lord, he says that Caesar is not. Caesar called himself the Son of God but then John says, "Jesus is the Son of God!" That means that Caesar is not. If we say, in today's terms, that we understand, we have to say that Jesus is President. That means that the others are not. They can call themselves presidents, the governments can call them a President, and we honor the President, but we know who our President is. That is not some "spiritual hocus-pocus" thing! No, that is not a spiritual abracadabra. No, Jesus is more President of South Africa than what our president, according to the election of this here is. Jesus is more President of America than what Donald Trump can ever dream to be. He is just president in the basic order of the American Constitution.

We in South Africa also like to think of ourselves as the land of the free. We are not under apartheid anymore. We are not under bondage anymore. None of those things. America as well: "We are the land of the free. We are free people." The Jews thought that they were the free. Then Jesus says, "You know the truth and the truth shall set you free." Then they said that we were not in bondage to anybody. He said that if you still commit sin, you're in bondage. You're a slave of sin. You're a slave of death and we have the true rulership of this world is Jesus and the way He does things is He works in people's hearts. People believe. His Spirit is poured out and by His Spirit He brings life and order to this world. In our mind it is taking a very long time but let me tell you something: God is busy with it!

And in the end, Rome never thought they could be defeated... never! But where are they? They are goners. We just have some buildings and stuff. It's now a holiday destination. That's what it is. It's gone! But how big is Christianity today? It is growing and God is busy. I want to tell you that Jesus is Lord of this earth! Paul and others then preached Jesus so much as Lord that the kings of that time started to put them in jail because they said, "Jesus is Lord and Caesar is not!" Church, let us come to a place where we can believe that Jesus is Lord. We are under a new order. This world is under the system of Jesus! Yes, we maybe see others trying to establish their own systems but that would be like going in a massive country, with great power, and you find a rule there and somebody tried to start something else under the bigger rule. It's just going to be squashed! That's all because there is a bigger true rule! Inside free countries, you can find other small groups trying to start Communism... trying to start Satanism. But you find that is what they try but the true rule is much greater... and it will be squashed!

It's like taking over a whole country and colonizing it. And after you've colonized it, it will take time to teach your traditions and to bring your rulership there that it looks like the country of origin. It's the very same way with God! He's already taken over! We are already under a new rule. When England came in here and they colonized a lot of the world. When they would go to a place and colonize it then there is a new order. Those people's world has changed. They are now under a new order. Maybe if they still find the chief there and the villagers, and they were still continuing their way, they're continuing.

But as time will go on, you will find that what is truly in power start to manifest there. Buildings are going to look like the buildings that come from England. You are going to find clothing start to look like the clothes people get in England. In a very same way, heaven has invaded earth, Church! We are under a new order. The world is a New World Order! But you might say, "I still see villages. I still see things as continued in this world since from the beginning." But let me tell you something: It doesn't matter what you see now. Jesus is Lord and I can already start to see that there are people starting to be clothed with the clothes of heaven... called love and joy and peace and kindness. Not functioning according to the systems of his world, having the peace of God in their hearts. Because that is what God is doing in this world. Glory to God! Amen! Isn't that good news! To me that is Good News!

I'm going to end off with **Hebrews 7**:

14 For it is evident that our Lord sprang out of Juda; of which tribe Moses spoke nothing concerning priesthood.

15 And it is yet far more evident: for that after the similitude of Malchizedek there arises another priesthood.

You see in Psalm 110 it prophecies and says that there will arise priests according to the order of Melchizedek, a new order. So, there was a Levitical order or what I would call the Order of Adam, and you find the different high priests and all those kinds of things. And then in the midst of all of this, there was a priest called Melchizedek. His priesthood and his genealogies were not written down. So, he had no beginning and no end as pertaining to genealogy. So that was then a witness that he lives forever.

Then it says in Psalms that there will come a priest according to the order of Melchizedek which is the order of an endless life. And now it says that there should arise such a priest. It says that Jesus is the one.

16 Who is made, not after the law of a carnal commandment, but after the power of an endless life. Who is made, not after the system of a carnal human ability to do things... the Adam system, the Adam order. **but after the power of an endless life.**

17 For he testifies, You are a priest forever after the order of Melchizedek

18 For there is verily a disannulling of the commandment going before for the weakness and unprofitableness thereof.

He is saying that the old order, the Old World Order, could not profit. But now this world is under a new order, a New World Order. The New World Order is the order of an endless life in Christ who was appointed as Lord over this earth.

Matthew 28:18 And Jesus came and spoke to them, saying, All power (all authority) is given to me in heaven and in earth.

So, if all authority was not His but now it is in the Resurrection... all authority to have eternal life manifest. That means that there is a new system whereby things function. It's not the system of works. It is the system of God, through His Spirit, bringing forth life.

All power is given to me in heaven and in earth.

19 Go ye therefore, and teach all nations That means over every nation Jesus is not becoming Lord. He **IS** Lord, and whosoever else thinks that he is Lord shall be removed. Whosoever else thinks that he can oppress the Lord is called the enemy of God and shall be washed away and be no more. And all that shall be left over is the New World Order which is the Order of an endless life in Jesus Christ! That's all! You can read that in Romans 8. We are now the sons of God. But what we are is not yet manifested but we are groaning right now waiting for God to show, in this physical world, who His sons are by making us immortal, having us explode into the full manifestation of the New Order that has come to this world. And so, the Bible says that even creation itself waits for that manifestation! Glory to God! Where it shall co-explode... therefore we now groan. But we who groan have the first fruit of the Spirit already in us. And this Spirit, what we can call the new order, is groaning in us, aiding us, making intercession for us! Hallelujah! Amen and amen!

Let me summarize:

God has come and He had brought a New Order. And whenever we, the Church, say, "New World Order", we hear Satan, devil, demons because what God is actually saying is, "I've brought the New Order to this world." The devil has so muddied that up by this political systems and wrong interpretation of Revelation and fear in people that whenever you hear, "New World Order," your heart says, "I'm against that!"

So that when God wants to come and says, "I've got a new order over this planet and over this world, and I'm bringing My life to this world, we say, "No, no, no! We don't want to hear anything of the world. We don't want anything of the earth! We want this earth to burn up and be destroyed and we want to go to a glory land called heaven. We don't care about the earth and that is anti the work of Christ, my friend! That is anti-Christ's work! How are you Anti-Christ? You are Anti-Christ when you are saying that He was not risen and you are saying that He is not Lord of this earth. That is anti the work of Christ.

Let us stand in the work of the Lord, saying, "You are Lord over our life!" When I preach this, I can feel in my mind, I can feel around me, how the news and how false teaching and how fear falls off. How I feel the power of the Holy Spirit when I expect for God to do what He will do... and He **will** do it! Will there be systems and people that want to arise and stand up against God? Of course! Of course, there will be! Will there be another tower of Babel kind of a mindset? As long as what we have not seen the full glorification, whatsoever of the old there was will manifest because as long as the people cling to it. But why do we want to be mindful of the old if the Bible says we are a new creation. The old things have passed away! Behold, all things have become new! If we say, "All things have become new and all things are of God", does that include the order of the world? Amen! Glory to God!

Some might say, "Bertie, if you word it this way, you are going to get a lot of persecution and people are going to be against you!" Well, this is what I feel I want to preach and I'm sure that it will shake some. It will push some away but it will definitely also help a lot of people and that is what I feel in my heart to do. If the persecution comes, let it be. But we are going to see the truth of the Gospel being preached. And we are not going to give what is God's to the enemy. What is God's is the New World's Order which is the order of an endless life! And we are not going to have it so much in our mind that we can't even mention New World Order and God! No! We should not be able! Our hearts must say if we say, "New World Order" and we think of the devil, we must say, "Blasphemy! That's Old World Order! That's old things that was from the beginning, the devil that was from the beginning a liar, is still busy with these old things! Now God has come to make everything new and now some want to ascribe whatsoever is new, to the devil! You're not going to do that. You are just going to get our language in line with what God is saying. He's come to make everything new! Glory to God!

Be overwhelmed by the love of God for He loves you!
